

# Global Fund Wave

---

Global Earning Ecosystem

P2P Crowdfunding Platform

# What is Global Fund Wave?

## Revolutionary P2P Platform

A crowdfunding platform where people raise funds by **helping each other directly**. No intermediaries, just pure peer-to-peer connections. No waiting for Withdrawals.

## 100% Peer-to-Peer

Totally P2P structure enables direct transactions between participants. Your help goes straight to those who need it.

## USDT Blockchain Support

Use any blockchain of preference to donate USDT directly. Flexible, fast, and secure cryptocurrency transactions.

## Decentralized Network

Powered by blockchain technology

## Total Decentralization

Send & Receive Directly

All transactions happen directly in your crypto wallet. No central authority controls your funds.

# Platform Overview

## Totally P2P

Pure peer-to-peer structure where participants connect and transact directly without intermediaries.

## Decentralized

Complete decentralization ensures no single point of control. Your funds, your control.

## Direct Wallet

Send and receive help directly in your crypto wallet. Instant, secure, transparent.

## Free Registration

Start your journey with zero registration fees. Only pay when you're ready to participate.

## Multi-Blockchain

Support for multiple blockchain networks. Choose your preferred chain for USDT transactions.

BEP20

ERC20

TRC20

# Getting Started

Simple steps to join the Global Fund Wave ecosystem

1

## Free Registration

Create your account with zero cost. Quick and easy signup process to get you started.

2

## Purchase E-Pin (\$10) the MORE PINS purchased in BULK, the cheaper they are.

Buy an E-Pin using BEP20 USDT. This activates your participation in the platform.

**\$10**

One-time

3

## Get Package ID (\$100 Min)

Minimum \$100 package ID required. You can hold multiple \$100 IDs for higher participation.

**\$100+**

Minimum

## You're Ready!

Start providing help and earning income immediately

### Key Points

- ✓ Multiple IDs allowed
- ✓ BEP20 USDT for E-Pin
- ✓ Instant activation
- ✓ No hidden fees

# Provide Help (PH) & Get Help (GH) System

## Daily Limits

**\$500**

Max per day

**5 PH**

Per day max

## How It Works

- 1 Request to Provide Help**  
Submit your PH request. 1 E-Pin is used per request.
- 2 Platform Assigns Recipient**  
System matches you with someone who needs help.
- 3 Send USDT Directly**  
Transfer USDT directly to recipient's wallet address.
- 4 Confirmation via Transaction Hash**  
Receiver confirms receipt using the blockchain transaction hash.

## Secure & Transparent

Every transaction verified on blockchain

## Security First

All transactions are secured by blockchain technology. Every transfer is traceable and immutable.

E-Pin Cost

**\$10**

Per PH Request

**1 E-Pin**

# The 15-Day Cycle

Complete cycle from giving help to receiving help

## Day 0

You Give Help

Send USDT to the assigned recipient. Transaction confirmed via blockchain hash.

## Confirmation

Receiver Confirms

Recipient verifies receipt using the transaction hash on the platform.

## Days 1-15

Timer Active

A 15-day timer starts on your ID. Your help is now in the system.

## Day 15+

You Receive Help

Within 24-48 hours, platform assigns 2 people who will help you.

### 15 Days

Cycle Duration

### 2 People

Assigned to Help You

### 24-48 Hrs

Assignment Window

# 15-Level Working Income Plan

Multi-level referral structure for passive income generation

## How It Works

### Direct Sponsors = Level 1

People you directly refer to the platform

### Their Referrals = Level 2

People referred by your direct sponsors

### Continues to Level 15

Deep network structure for maximum earning potential

## Income Potential

Build once, earn forever

15

Income Levels

Earning Potential

## Network Effect

Your network grows exponentially

## Pro Tip

The more direct sponsors you have, the deeper and wider your income network grows. Quality referrals matter!

# Income Breakdown by Level

<b>Level 1</b> \$8 Direct sponsors	<b>Level 2</b> \$2 2nd generation	<b>Level 3</b> \$1 3rd generation
<b>Level 4</b> \$1 4th generation	<b>Level 5</b> \$1 5th generation	<b>Level 6</b> \$1 6th generation
<b>Level 7</b> \$1 7th generation	<b>Level 8</b> \$1 8th generation	<b>Level 9</b> \$1 9th generation
<b>Level 10</b> \$1 10th generation	<b>Level 11</b> \$0.4 11th generation	<b>Level 12</b> \$0.4 12th generation
<b>Level 13</b> \$0.4 13th generation	<b>Level 14</b> \$0.4 14th generation	<b>Level 15</b> \$0.4 15th generation

  
**Withdrawal**  
Minimum Threshold  
**\$100**  
Withdraw immediately when you reach \$100

  
**Direct Sponsors**  
**10**  
Total needed to maximize income

# Key Benefits & Advantages

## Complete Decentralization

No central authority controls your funds. True peer-to-peer transactions with full transparency.

## Direct Wallet Transactions

Send and receive USDT directly to your crypto wallet. No intermediaries, no delays.

## No Intermediaries

Pure P2P structure means no middlemen taking cuts. What you give is what they receive.

## Fast 15-Day Cycles

Quick turnaround from giving help to receiving help. Efficient capital rotation.

## 15-Level Income Potential

Deep referral structure creates multiple passive income streams from your network.

## Immediate Withdrawals

Withdraw your working income as soon as you reach \$100. No waiting periods.

## Global Access

Participate from anywhere

## Blockchain Security

Immutable transactions

## Unlimited Potential

Grow without boundaries
